DRIVING INNOVATION. EMPOWERING ENTREPRENEURS. LEADING IN MIDRAND.

Issue 005

08 December, 2025

A MONTH OF ACCELERATION, INNOVATION & INDUSTRY PARTICIPATION.

November was a strong month for the Impact Nexus community, marked by high participation, industry visibility and standout progress from our incubated enterprises. This month reinforced our position as one of the most dominant incubators in Midrand.

PROGRAMME HIGHLIGHTS

Root Rescue continued its steady progress this month, showing commitment to refining their solutions and strengthening their innovation journey. Luminari-Tech had a standout November, representing Impact Nexus at both the ABSA Youth Entrepreneur Week and the ABSA Innovation Challenge, showcasing excellent problem-solving and forward-thinking ideas. Fair Trade Blockchain maintained strong momentum in digital transparency, consistently developing blockchain-driven solutions. All three enterprises also represented the incubator at ABSA Youth Entrepreneur Week, demonstrating the depth and diversity of talent within our incubation programme.

Our programme highlights for November showcased the steady growth and commitment of our incubatees. Root Rescue advanced its development work, Luminari-Tech achieved major visibility through the ABSA Youth Entrepreneur Week and Innovation Challenge and Fair Trade Blockchain continued building strong momentum in digital transparency. Together, these enterprises demonstrated the strength, diversity and innovation driving the Impact Nexus incubation.

CELEBRATING EXCELLENCE AT THE UJ CE AWARDS

We were honoured to attend the UJ Community Engagement Awards, celebrating organisations and individuals who are driving meaningful impact in their communities. We proudly congratulate all the winners and finalists whose dedication continues to inspire excellence in service and innovation.

INNOVATION MOMENTUM

November solidified our role as a leading incubator in Midrand a hub where ideas grow, businesses mature and talent is refined. November's innovation momentum reflected the energy and ambition within the Impact Nexus ecosystem. With multiple ventures active across key platforms and consistently pushing their ideas forward.

To our incubatees and partners, thank you for your dedication, consistency and creativity. We look forward to ending the year with even greater impact. Together, we grow. Together, we rise.
